

2015 -2016 Mount Pleasant; promoting happy, healthy lifestyles through participation in PE and school sport

Free swimming programme to be maintained.	That all pupils in Y4 access swimming lessons to enable them to reach the minimum requirement of swimming 25m	(£2100.00 Funded from the delegated budget.)	The Governing Body continue to support a free swimming programme for pupils. The use of the minibus (see above) ensures that parents are not required to make a financial contribution to transport costs. The school uses a private swimming pool located at a Stourbridge School. Pupils attend in small numbers (14 pupils) accompanied by two staff and with 2 trained swimming teachers and lifeguards employed at the school. This results in an intense programme of swimming lessons.	The vast majority of pupils are able to swim the required minimum of 25m by the end of the year. Where this is not the case, but pupils are able to swim unaided, parents are written to and encouraged to take their child for further lessons. Where a child remains unable to swim unaided, they continue to attend lessons in Y5 until they can swim unaided.
New P.E. equipment	Ensure high quality lessons can be taught during PE Meet the requirements of the PE Curriculum	£1000.00 Additional resources were purchased through Sainsbury's Vouchers Scheme.	The PE Co-ordinator carried out an audit of the current equipment, including for active playtimes and that which is required to deliver high quality PE lessons.	All requirements of the PE curriculum are met. Pupils' enjoyment and participation in PE and active play is improved.
Continue with Bikeability for Yrs 3 and 5	Encourages children to cycle safely.	Free - Funded through Dudley Healthy Schools Programme	Annually, two yr groups are involved, all children in Yrs 3 and 5 are encouraged to take part. Certificates are given to children who pass the proficiency test.	Pupils are encouraged to ride their bikes safely when out of school.

2015 -2016 Mount Pleasant; promoting happy, healthy lifestyles through participation in PE and school sport

<p>SDP 15 -16 Priority: Additional Project: Development of outdoor learning, Forest school and play equipment.</p>	<p>Playground marking for Early Years and the main playground to include a fitness trail.</p>	<p>(£5000.00 Funded from delegated budget)</p>	<p>School Council involved in selecting games and markings for the playground. Extend the outdoor learning programme to enable all pupils to have greater opportunities for hands-on outdoor learning. The Foundation curriculum has been revised to include opportunities for offsite-learning.</p>	<p>Playground markings are used to guide bikes and activities in Early Years and the fitness trail is used by staff during PE lessons and also by pupils independently at playtimes. Pupils in all Key stages have had extended opportunities to visit places as part of their learning including visits to local supermarkets to purchase fresh ingredients for cooking.</p>
<p>SDP 15 -16 Priority: 3.3</p>	<p>Develop a joint Healthy Lifestyles and Well-Being Scheme of work replacing and updating a range of current separate policies</p>	<p>Ingredients for cooking £531.00</p>	<p>Working with several staff, School Council, Fundraising Team and Anti-Bullying Team, a plan to combine separate policies and schemes of work for; PSHE, SMSC, Drug awareness, SRE, Mental Health and well-being, Healthy eating, Keeping safe, Rights Respecting. and Character Education. An initial policy has been created and introduced to all staff.</p>	<p>Staff now have one scheme of work and policy to follow which has resulted in increased focussed planning and delivery. The policy will require further revision as we develop our work in these areas.</p>
<p align="center">Total £9436 (+£14,019.00 funded from the delegated budget) Overall Total £23,455.00</p>
