|   |  |   |   |  |
|---|--|---|---|--|
|   | the minimum requirement of swimming 25m  |   | The use of the minibus (see above) ensures that parents are not required to make a financial contribution to transport costs.<br>The school uses a private swimming pool located at a Stourbridge School. Pupils attend in small numbers (14 pupils) accompanied by two staff and with 2 trained swimming teachers and lifeguards employed at the school. This results in an intense programme of swimming lessons. | this is not the case, but pupils are able to swim unaided, parents are written to and encouraged to take their child for further lessons. Where a child remains unable to swim unaided, they continue to attend lessons in Y5 until they can swim unaided. |
| WBA foundation  | Increase leadership skills in children<br>Increase activity levels during lunchtimes   | £125 per week (£25 per hour)<br>Total – 18 weeks<br>£2250 | Improves pupils' responsibility to become play ambassadors.<br>Increase pupil participation at playtimes.   | Ensure that new ambassadors are trained and in place ready for the start of each new academic year.  |
| Develop appropriate assessment strategy   | To enable achievements and progress to be recorded in P.E.<br><br>Introduce 'beep test', to record fitness levels of pupils to be used at the start of each term and yr end. | £0  | Ensure that pupils are identified where there may be concerns (leading to Get Moving) or where there is natural prowess to be developed and encouraged possibly beyond the school.  | Ensure that the assessment programme acknowledges all pupils including those with known physical impairment.   |
| Sports Week   | Provide children with a range of new activities that they have not ever done before e.g. skipping, hoola hooping, etc<br>Focus activity weeks – 'Learn a new skill'          | £600  | Increase pupil participation through introduction of a new skill.
