Our News

Another term is over and what a busy time the Nursery children have had. A big thank you to all the parents and carers who have supported their child by joining them for Easter Craft sessions. The children thoroughly enjoyed their session with their grown-ups. We look forward to welcoming some new children and their families to Mount Pleasant after Easter.

During the next half term our theme will be "Pirates and Princesses". We will be listening to many fairy stories including Beauty and the Beast, Cinderella and Sleeping Beauty. We will also be completing activities based on the stories of Frozen, The Troll and Tangled. We will be making crowns, pirate hats, junk modelling castles and exploring the properties of ice and gloop.

The Nursery summer Farm visit has been booked. The dates of the visit will be Monday 2nd July for the morning nursery and Monday 9th July for afternoon nursery. Please note there will be no afternoon nursery on 2nd July and no morning nursery on 9th July as the nursery staff will be on the farm visits all day. Each child will need to be accompanied by one adult. Unfortunately we are unable to accommodate siblings on this occasion. More information to follow at a later date.

Have a wonderful Easter break!

You can support your child this half term by:

Reading:

Continue to read a variety of stories.

Talk about the title, blurb, spine, author and characters in the story.

Ask the children what happened in the beginning, middle and end of the story.

What was their favourite part?

Writing:

Give the children a variety of implements to encourage mark making such as different types of pens, pencils, crayons, chalk and paint.

Encourage your child to write over their name at every opportunity.

Maths:

Count forward to 20 and above.

Count backwards from 10 and 20.

Name and recognise different shapes.

Talk about different patterns they can see in the environment and at home e.g.- stripes, spots, zig-zags etc.

Believe it, Achieve it!
