

Mount Pleasant Primary School
Year 1
Maths

Numbers place value and rounding

- | |
|---|
| I can read and write numbers from 1 to 20 in digits |
| I can read and write numbers from 1 to 20 in words |
| I can count in multiples of 2 starting at any number |
| I can count in multiples of 5 starting at any number |
| I can count in multiples of 10 starting at any number |
| I can find one more or one less than a given number |
| I can count numbers up to at least 100 |
| I can read numbers up to at least 100 |
| I can write numbers up to at least 100 |

Addition and Subtraction

- | |
|---|
| I can read, write and understand calculations with the +, - and = signs |
| I can add one-digit numbers up to 20 |
| I can subtract one-digit numbers up to 20 |
| I know addition number bonds using numbers up to 20 |
| I know subtraction number bonds using numbers up to 20 |
| I can add two-digit numbers up to 20 |
| I can subtract two-digit numbers up to 20 |
| I can solve one-step problems using addition and subtraction |
| I can solve missing number problems |

Multiplication and Division

- | |
|--|
| I can complete simple number patterns |
| I can double single digits up to 10 |
| I can double single digits up to 20 |
| I can double multiples of 10 up to 100 |
| I can share and group small amounts |
| I can show multiplication facts using arrays |
| I can solve simple multiplication problems |
| I can solve simple division problems |

Fractions

- | |
|---|
| I can find and name half of a shape |
| I can find and name quarter of a shape |
| I can find and name half of a set of objects |
| I can find and name quarter of a set of objects |
| I can find half of even numbers up to 20 |
| I can find half of even multiples of 10 up to 100 |
| I can solve simple problems using halves and quarters |

Measurement

I am beginning to measure and record lengths and heights
--

I am beginning to measure and record mass

I am beginning to measure and record capacity and volume
--

I can recognise and know the value of coins and notes

I can sequence events in time order

I know and use time vocabulary such as days, weeks, months and years
--

I can tell the time on the hour 'o'clock'

I can tell the time at half past the hour

Shape

I can recognise and name common 2-D shapes
--

I can compare 2D shapes describing how they are the same or different

I can recognise and name common 3-D shapes
--

I recognise 2D and 3D shapes in different orientations
--

I understand and can turn in a 'clockwise' direction
--

I can describe position, direction and movement including whole, half, quarter and 3/4 turns
--

Statistics

I can sort objects into simple sets

I can create a simple pictogram

I can create a simple tally chart

Total Statements = 50

85% = 43 completed statements.
