

Mount Pleasant Primary School Year 2

Numbers place value and rounding

I can read and write numbers to at least 100 in numerals

I can read and write numbers to at least 100 in words

I know the place value of each digit in a 2 digit number

I can compare and order numbers 0 to 100

I can count in multiples 3

I can count in 2's and 5's forwards and backwards from any number

I can count in 10's forwards and backwards from any number

I can use the signs $<$, $>$ and $=$ to compare numbers

I understand and use '0' as a place holder

Addition and Subtraction

I can add a one-digit number to a two-digit number mentally

I can subtract a one-digit number from a two-digit number mentally

I can add three one digit numbers

I can recall and use + and – facts to 20 to add multiples of 10

I can add and subtract a multiple of ten to or from a two-digit number mentally

I can add two two-digit numbers

I can subtract two two-digit numbers

I can solve simple one step problems using addition

I can solve simple one step problems using subtraction

I know that addition and subtraction are inverse operations

Multiplication and Division

I can recognise odd and even numbers

I can recall and use \times and \div facts for the 2x table

I can recall and use \times and \div facts for the 5x table

I can write \times and \div facts from a set of numbers

I know that \times can be done in any order but \div cannot

I know that multiplication and division are inverse operations

I can solve simple one step problems involving multiplication and division

Fractions

I can find fractions of a set of objects; $\frac{1}{3}$, $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$

I can find fractions of shapes; $\frac{1}{3}$, $\frac{1}{2}$, $\frac{1}{4}$, $\frac{3}{4}$

I can find fractions of simple measures

I can find fractions ($\frac{1}{4}$, $\frac{2}{4}$, $\frac{3}{4}$ and $\frac{1}{3}$) of a quantity

I can write fractions and recognise simple equivalence

I can count in fractions up to 10

I can find $\frac{1}{2}$, $\frac{1}{3}$, $\frac{2}{4}$ and $\frac{3}{4}$ of a number

Measurement
I can compare and order length, mass, volume/capacity using <, > and =
I can choose and use equipment to measure accurately to the nearest unit
I can use coins to make equivalent money totals
I can solve simple money problems using + and -
I can compare and sequence intervals of time
I can tell and write the time to the nearest five minutes including 1/4 past and 1/4 to the hour

Geometry
I can identify and describe the properties of 2D shapes
I can identify and describe the properties of 3D shapes
I can identify 2D shapes on the surface of 3D shapes
I can identify lines of symmetry in 2D shapes
I can use mathematical vocabulary to describe position
I can use mathematical vocabulary to describe direction and movement

Statistics
I can interpret simple tables
I can interpret simple pictograms
I can interpret simple tally charts
I can interpret simple block graph
I can compare sets of data
